The West Monitor Barn, a national historic treasure and Vermont icon, is 80% complete. This beautiful barn is being restored to become the home of the Vermont Youth Conservation Corps (VYCC) and Vermont's first statewide Youth Leadership, Education, and Training Center.

With your participation, Denim and Diamonds will be the most important event the VYCC has ever hosted. Our 3.7 million dollar campaign is nearing completion; we have just over \$800,000 to raise in order to meet our goal. Serving Vermont's youth, communities, and natural environment is what we know best. We look forward to stepping into our greatest potential!

Join us for an unforgettable evening at the Monitor Barn. A silent auction will offer unique and tasteful items that will tempt everyone from the high roller to the bargain hunter. A sensational dinner provided by Dish Catering will be followed by an evening of shenanigans. You can try your hand at lady luck, kick up your heels to the Starline Rhythm Boys, or simply watch it all unfold with good conversation and excellent libations!

We are excited about this extraordinary evening and trust that you will join the celebration. Please take a moment to complete and return the enclosed sponsorship pledge form.

WE LOOK FORWARD TO WELCOMING YOU AT OUR NEW HOME, THE WEST MONITOR BARN, ON OCTOBER 28TH!
