

THURSDAY, October 22, 2009

7pm-10pm

Historic Preservation “How-To” Night

Come to Lost Nation Theater in Montpelier’s City Hall to hear a number of craftspeople and contractors working in the preservation trades talk about traditional ways to repair older and historic buildings. Learn firsthand about restoration and repair strategies that retain historic fabric and are compatible with Montpelier’s Design Review Guidelines.

Schedule:

7-8pm Public presentation and slide show

8-8:15pm Montpelier Heritage Group Awards Ceremony

8:15-10pm Hands-on demonstrations, information tables and displays from various organizations

Participants:

Dan Clar, Clar Construction: Replicating Millwork and Carpentry

James Duggan, Preservation Unlimited: Masonry Repointing and Chimneys

Jeff Fellingner, JAF Traditions: Restoring Wooden Windows

Sally Fishburn, S.A. Fishburn, Inc.: Repairing Plaster Walls and Ceilings

Louis Gendron, Gendron Building: Foundation Repairs and old Stone Cellars

Seth Kelley, Knobb Hill Joinery: Timber Framing Repairs

Liisa Reimann, New England Preservation Collaborative: Researching Historic Buildings

David Schütz, Vermont State Curator: Paint & Color Schemes

Liam Tower, Slate Affair Inc.: Slate Roofs, Copper and Flashing Repairs

Paul Zabriskie, EnergySmart of Vermont: Weatherization Strategies for Older Buildings

Plus informational tables by:

Vermont Division for Historic Preservation, Montpelier Planning and Zoning Department, Preservation Trust of Vermont, University of Vermont’s Graduate Program in Historic Preservation, Preservation Education Institute, National Trust for Historic Preservation, Yestermorrow Design/Build School, Stone Arts School
